

EAST GWILLIMBURY
CHAMBER OF COMMERCE

Fire Extinguisher Training and Emergency First Aid & CPR Recertification Training

In this two part training day the instructor will equip you with the knowledge to analyze various emergency fire scenarios, effectively operate Fire Extinguishers and to put out small fires before they spread. In the Standard First Aid and CPR training portion you will be reviewing: Choking Emergencies, Bleeding, Shock, Falls Strains/Sprains/Fractures, Splinting, Spinal Injuries, Poisons & Allergies, Seizures, Burns, Heat & Cold Injuries/Illnesses, Back & Chest Injuries, Diabetes, Heart Attack, Angina and Stroke, Airway, Breathing, Circulation (ABCs) and Cardiopulmonary Resuscitation (CPR). Gain the confidence to provide emergency first aid and take control of an emergency situation until EMS 9-1-1 arrives on the scene.
