

At Doane House Hospice we are dedicated to enhancing quality of life through the provision of non-medical support for those affected by or caring for an individual with a life-threatening illness.

For Doane House Hospice, 2009 is the 20th anniversary of our work in the community. When the doors opened back in 1989, we helped 48 clients and had 38 volunteers who donated 2,100 hours. Twenty years later, those numbers have jumped significantly. At the end of 2008, we were serving 330 clients whose average age was 57 years, and had 156 active volunteers who donated 9,318 hours during that year. What an achievement - especially as your contributions account for 76% of our annual budget!
